Our background is in effective real estate lending

Our Services You can Count On

Analysis:

Old Capital Lending employs a methodical approach with each of our clients. We start with the Interview to determine the clients financing goals followed by a team analysis which results in a detailed financial strategy. Our services do not end at this point. We continue to communicate with the client until the transaction is closed. Our professionals are there for you every step of the way.

Financing:

From \$500,000 to \$50 million our commitment to the client does not end at closing. We consider each client a client for life. We strive to build long term relationships with each client, always watching for investment opportunities that meet their goals, proving we are there to provide sound funding advice.
